

Commended

COMPANY: K A R Contracts Ltd.
PROJECT: Gatehouse Courtyard,
Clayesmore School,
Iwerne Minster,
Dorset.
CLIENT: Clayesmore School
MANUFACTURER: Dulux Trade

This was a fairly small contract involving all the windows and woodwork around a square courtyard, enclosed by a rather exceptional brick building.

The windows were in a very poor condition, requiring a great deal of preparation and bringing forward.

The Windowcare System was also used for this contract.

The finished work looks very well painted and well cut into the glass. The overall appearance is solid white, with a good gloss finish. The doors were prepared and revarnished.

Nice job!

The clients also expressed their satisfaction with the company's approach and their overall contract completion.
